

Guidelines for Westside Baptist Church Services

Westside Pastors, staff, and officers have specially prepared for our services! You are the church, and we are ready to join with you in singing praises to Christ, praying for the great needs we all have, and opening our hearts together to God's holy Word! Our desire is a clean, safe, and "mindful of health needs" service. You will be able to enjoy a totally non-touch experience.

1. We kindly ask that anyone who is sick or has prior health needs please join us online instead.
2. The 8AM service is "MASK REQUIRED", and the 10AM service is "mask recommended". Please consider this when you RSVP through our church website each week.
3. Children's Church (4yrs-3rd grade) meets in E-103 during the 10AM service. Nursery is available for children ages 1-3 at 10AM. A mother's nursing room is available at all times. Please follow the guidelines posted on nursery door.
4. Offering plates are available on a table in the foyer. You may also give by mail or online.
5. Entrance doors will be opened by the ushers.
6. Masks: we encourage attendees to wear masks when entering and departing the building, and when singing.
7. Hand sanitizer is available.
8. Ushers will direct seating. The chairs are being sanitized with UV lamps after each service.
9. We ask that greetings and visits be conducted outside, before and after the service. Services will not include shaking hands.
10. Let us show grace in all that we say and do. Pray for great rejoicing together in God's Presence! May we all appreciate the Body of Christ more than ever!
